

PROTOCOL FOR ASSISTING PEOPLE TO PLACE THEIR ANIMALS

The Carl Nelson Animal Shelter (CWNAS) will assist you with the placement of your animal by putting them on our website and Petfinders. You will be responsible for contacting the people that are interested in your animal, setting up a time to meet the prospective adopters and deciding if your animal will work for the prospective adopters. The Carl Nelson Animal Shelter will not be liable for any accidents or incidents that may occur during this process. The Carl Nelson Animal Shelter does not guarantee placement of your animal.

REQUIREMENTS:

There will be a \$25 fee that is to be paid before CWNAS will assist you. Once we receive this fee, and a photo and description of the animal, we will put your adoptable animal on our website and Petfinders for a period of 6 months. If your pet is adopted and you no longer need our assistance, please call and let us know. Please notify CWNAS when your animal has been placed into another home or you no longer need our services.

All information on the form must be filled out.

This form must be completed and mailed along with the \$25.00 fee to: CWNAS, P.O. Box 345, Mauston, WI 53948.

Pictures may be emailed to fostercwnas@yahoo.com, or a printed picture may be mailed with this form.

All animals must be fixed and up to date on their shots prior to the CWNAS assisting with placement.

The following will need to be emailed to the CWNAS, so that we can put the animal on our website and on Petfinders.
